

## Logging Into Moodle

There are two possible ways to log into Moodle:

1. You may log in from a **You are not logged in** page.
2. You may use a **Login** block.

### Logging in from the "You Are Not Logged in" Page

---

Access your school's Moodle page and locate the **You are not logged in. (Login)** hyperlink; this link is typically in the top right-hand corner. Click the hyperlink.

Enter your username and password into the **Username** and **Password** fields. Please contact Technical Support at 1-800-985-9781 or [support@learninghouse.com](mailto:support@learninghouse.com) if you have not received your credentials; they can help you identify with whom you need to get in touch. Click **Login** once you have entered your credentials.
